

lijst van websites uit een dit jaar gepubliceerd boek over Islamitische Staat in het Arabisch van dr. Hisham al-Hashemi, een Iraakees met veel insiderkennis, dat ik de secties stiekem en onze ministeries van defensie en buitenlandse zaken warm kan aanbevelen; overigens: nadat ik dit de tweede keer doorstuurde per email om uitgevers voor een vertaling in het Nederlands en Engels te interesseren lag mijn internet via UPC nu Ziggo eruit;

Onderstaand de websites die waarschijnlijk nog vrolijk onder jihadisten circuleren:

Links and names of jihadist websites
